

In the Chair with

# Naz Panju

I joined Croxley Green Parish Council as a councillor in March this year and it has been a privilege to get involved with some of the great work the council is doing. We have recently put together a dog show, a forest school for young children, and are planning numerous more events as we open up following tough times.

What lies ahead of us, however, is still a lot of hard work and local issues that concern many residents, in particular the developments planned in and around Croxley Green. I have been actively involved with the campaign against the use of Little Green Lane as access for the proposed development at Killingdown Farm and will be working with residents to protect our green belt and conservation sites wherever possible whilst trying to meet the government housing targets. Please do contact me if you have any concerns on these issues. You can still sign the petition against development on the green belt in Croxley at [www.change.org/croxleygreen\\_greenbeltdevelopment\\_greenlane](http://www.change.org/croxleygreen_greenbeltdevelopment_greenlane)

Another worrying issue we all face is safety on the streets in Britain today. The murders of Sir David Amess MP and Sarah Everard have us all concerned – particularly about the safety of girls and women. I am keen to look at ways within the

community to protect vulnerable women and make our streets safer. If you have a project in mind which can contribute, even in a small way, to help make our streets safer for everyone, please contact me at [cllnpanju@croxleygreen-pc.gov.uk](mailto:cllnpanju@croxleygreen-pc.gov.uk). Let's make Croxley greener and safer!
